**NOTICE OF INTENT OF IP COMMUNICATIONS CORPORATION TO
RELINQUISH CERTIFICATE OF SERVICE AUTHORITY TO PROVIDE
TELECOMMUNICATIONS SERVICES**

IP Communications Corporation, ("IP Communications") hereby provides notice of its intent to relinquish status as an alternative telecommunications utility. IP does not serve any customers in the State of Illinois.

I. INTRODUCTION

By this Application, IP Communications notifies the Commission of its intent to relinquish its certificate of service authority in the State of Illinois. IP Communications was granted this authority by Commission order on June 21, 2000 in Docket No. 00-0286. Although it was the intent of IP Communications to provide services in the State of Illinois prior to this time, that aspect of the business plan did not come to fruition.

II. APPLICATION IS NOT CUSTOMER-AFFECTING AND IS IN THE PUBLIC INTEREST

Because IP Communications does not provide services to any customers in the State of Illinois, the granting of IP's application will not affect any customers. Moreover, because no customers are affected, all concerns relating to customer notice requirements are not applicable.

III. CONCLUSION

IP Communications respectfully requests that the Commission accept IP Communications' notice to relinquish its certificate of service authority within the State of Illinois.

Dated this 25th day of November, 2002.

Respectfully submitted,

IP COMMUNICATIONS
